Since we opened our on-line shop a few years ago its popularity has grown with people who generally find it difficult to get to a supermarket or who find it a problem carrying the heavy bags of flour. As many of you do not have a computer we are now also offering this home delivery facility.

Our products cost a little more than the supermarkets we supply. We make it clear that we cannot compete with the stores, who have very high volume efficient distribution networks. On the other hand with the mail order shop, small orders are packed by hand and because flour is heavy, there are carriage and packing costs involved. However, another advantage of our shop is for those who love our mixes and can't always get the varieties they want from their local store.

We are very sorry to those of you outside the United Kingdom that we can't supply you our mixes, unfortunately due to the huge packing and delivery costs this is not feasible. Unfortunately, we can only deliver to mainland England, Wales and some parts of Scotland as follows:

In Scotland, unfortunately, we are unable to deliver our mixes to IV1-28, IV30 - 32, IV36, IV40, IV51-56, IV63, KW1 - 14, PA21-38, PH4 - 41, PH49, PH50, HS, IV41-49, KA27, KA28, KW15-17, PA20, PA41-49, PA60-78, PH42-44, ZE. The Highlands and Islands of Scotland, The Shetland Islands, The Orkney Isles, Northern Ireland, Dublin, Eire, The Isle of Man, Isles of Scilly, Isle of Wight, The Channel Islands nor BFPO overseas.
