A Tradition of Quality

Mail Order

Since we opened our on-line shop a few years ago its popularity has grown with people who generally find it difficult to get to a supermarket or who find it a problem carrying the heavy bags of flour. As many of you do not have a computer we are now also offering this postal facility.

Our products cost a little more than the supermarkets we supply. We make it clear that we cannot compete with the stores, who have very high volume efficient distribution networks. On the other hand with the mail order shop, small orders are packed by hand and because flour is heavy, there are high postage and packing costs involved. However, another advantage of our shop is for those who love our mixes and can't always get the varieties they want from their local store.

We are very sorry, but we cannot supply our mixes outside the United Kingdom, because of the huge delivery costs. We can deliver to all postcodes in England & Wales. In Scotland we can deliver to all these postcodes DD, DG, EH, FK, G, KA (except KA27 & KA28) KY, ML, TD, AB1 to AB16, AB21 to AB25, AB30, AB39, PA1 to PA19, PH1 to PH3.

We are unable to deliver our mixes to AB31 to AB38, AB40 to AB56, IV1 to 28, IV30 to 32, IV36 & 40, IV41 to 49, IV51, IV52 to 54, IV55 & 56, IV63, KW1 to 14, KW15 to 17, PA20, PA21 to PA38, PA41 to 49, PA60 to 78, PH4 to PH41, PH42 to PH44, PH49, PH50, KA27 & KA28, ZE, Northern Ireland (BT), Isle of Wight, & Republic of Ireland, Isle of Man (IM) & the Channel Islands.

Wright's 500g bread & cake mixes

can only be delivered in multiples of 3 cases as they are packed in 5 x 500g per case and then hand packed into a box as a minimum of 3 cases or 15 packs - chosen variety of bread or cake mix can be provided in either 3, 2 varieties or all the same. We cannot split cases of 5 x 500g.

POST FREE for 3 or more boxes of Wright's products in 500g

This equates to 9 x 5 x 500g bread or cake mixes/45 packs in total

Wright's popular 1.5kg bread mixes

are packed as a minimum of 1 case of 5 x 1.5kg packs. Many order 3 cases as this gives 15 large packets and eradicates the postal charge too!

1 box = 1 case = 5 packs = £9.50 + £6.99 postage = £16.49 delivered.

2 cases of Wright's 1.5kg bread mix = £19.00 + £6.99 = £25.99 delivered.

3 cases of Wright's 1.5kg bread mix = £28.50 **POST FREE** so the total is £28.50 delivered.

Wright's top quality base flours

are also packed as a minimum of 1 case of 5 x 1.5kg packs.

1 box = 1 case = 5 packs = £5.00 + £6.99 postage - Total £11.99 delivered.

2 cases of Wright's 1.5kg flour = £10.00 + £6.99 = £16.99 delivered.

3 cases of Wright's 1.5kg flour = £15.00 **POST FREE** so the total is £15.00 delivered.

Wright's Un-yeasted bread & cake mixes in 12kg

Packed individually in 12kg sacks. We offer free postage on 2 x 12 sacks or more

1 box = 1 sack 12kg Un-yeasted Bread Mix = £14.00 + £6.99 postage = £20.99

1 box = 1 sack 12kg cake mix = £25.00 + £6.99 postage = £31.99
